### KEY INFORMATION YOU SHOULD KNOW

This is a regular premium investment-linked plan. It is important for you to pay all premiums on time to continue to enjoy the full benefits under your insurance policy. However, should you encounter financial difficulties in the future, here are the options available to you:

- **Premium holiday** – Should you choose to go on premium holiday, the premium holiday charge will be applied, and coverage will remain in force until the total account value is insufficient to pay for the cost of insurance. Your policy may then lapse and you will not have any insurance coverage. Do note that the maturity benefit you will receive may be lower than the total premium paid.
- **Reduction of premium** – Reduction of premium will reduce the death / TPD benefit and maturity benefit payable. Do note that the maturity benefit you will receive may be lower than the total premium paid.

FREE LOOK PERIOD:

**You have 15 calendar days from its delivery date to review your benefits**
